

Dear Colleagues,

We were partners in the JURISTRAS-Project, and today I would like to inform you about the **Straniak Academy for Democracy and Human Rights in Budva/Montenegro** which was recently established by the Ludwig Boltzmann Institute of Human Rights in cooperation with the Faculties of Law and Political Science of the Universities of Podgorica and Vienna.

Please find attached the '**Information package for students' and a poster about the Academy** which will take place for the first time in **September 2013 in Budva** and which turns especially to students and young graduates from Southeast European States.

I would be very grateful if you could **forward the application package to your students** and to promote the Academy by **placarding the poster**.

With many thanks and best regards,

Hannes Tretter
